Dear Prospective Valued Donor and/Sponsor,

We are so thankful for your consideration and support for our son, Donte's 13<sup>th</sup> Birthday wish- To give an #AUsomefamilyxmas to Autism families.

We are excited and appreciate your donation. The [KINGOFAUSOME.COM](http://KINGOFAUSOME.COM). (Official web launch 12/3/2021-His birthday!) It is a brand that uses its voice for Autism Awareness & Inclusion.

Donte, our son, now 12, was diagnosed with autism just before his second birthday. In addition to autism, he has selective combine immunodeficiency, which in lay terms means he is unable to fight off infection like you or me.

Throughout his short life, no matter the challenge, he has grown beyond the limits, thought to be his ceiling. To that effect, we were both excited and elated when HE DECIDED to give back in such a big way. Your contribution would mean everything to him in meeting this initiative for his birthday.

**Date(s) of Event: 12/4/2021 @ 907 E. FERRY STREET, BUFFALO, NY 14211**

In order to provide inclusion to the families we service, 2-18 is the age group we are targeting. Autism is a spectrum disorder and as such children on spectrum sometimes also experience developmental delays that impact their ability to play alongside of their peers with their same chronological age.
